

Folding Table: Materials and Cut List

Component	Material	Dimensions	Quantity	Notes
Tabletop	Pine, Oak, or Plywood	24-36" × 18-24"	1	Smooth surface, pre-cut if preferred
Folding Legs	2×2 Lumber	16-18"	4	Cut to match desired table height
Aprons / Rails	1×3 Lumber	Tabletop length minus 2-3"	4	Connects legs and supports tabletop
Hinges	Steel Folding Hinges	—	2-4	Allows legs to fold under tabletop
Screws	1¼-1½" Wood Screws	—	16-20	Pre-drill to prevent splitting
Wood Glue	Interior-grade	—	—	Optional for extra stability
Sandpaper	80, 120, 220 grit	—	—	For smooth finishing
Finish	Stain, Paint, or Clear Coat	—	—	Protects wood and enhances style
